

# Apply to be a Fellow !

As a part of Data-Pop Alliance's Global Professional Training Program, we are selecting 15 fellows to attend free of charge our 3-days professional training workshop "Leveraging Big Data for Sustainable Development" delivered in partnership with UNSSC, in Nairobi on June 27-29, 2017.

## We are looking for fellows who:

- Are enthusiastic to attend the Professional Training Workshop and eager to build their knowledge and understanding about Big Data for Sustainable Development
- Are motivated to drive action and dialogue in the context and in support of the data revolution and the Post-2015 Sustainable Development Goals (SDGs) agenda
- Are willing to participate for at least 6 months as energetic members of the Nairobi Big Data for Development Community of Practice following from the course, contributing to developing and growing this CoP in the region

### Eligibility

- Work in the field of Big Data for Development in Kenya and/or East Africa. Preference will be given to members of civil society/NGOs and public sector organizations.
- Have a good statistical and/or quantitative background and a basic understanding of data methods and tools
- Be proficient in English

### Key Dates

May	Applications open
<b>June 8</b>	Applications close
June 5-8	Applications are reviewed on a rolling-basis
<b>June 9</b>	All applicants are notified by email of their application status
Mid-June	All selected fellows will receive a Memorandum of Understanding and Fellows Commitment, to be read, signed and returned by June 20
<b>June 27-29</b>	3-days Professional Training Workshop on "Leveraging Big Data for Sustainable Development", UN Office in Nairobi (UNON), Kenya

Please submit, in English, a **letter of interest and CV** in Word or PDF format, addressing how you meet the eligibility criterias and the necessary skills and experience and outlining why you are motivated to be a fellow for the "Leveraging Big Data for Sustainable Development" course. Send to [trainings@datapopalliance.org](mailto:trainings@datapopalliance.org) by **June 8, 2017**. Please include "Nairobi Fellowship – [your name]" as the subject line of your email.
